

When you arrive at Boston Street

The Getaway Marina, where our boats are kept, is directly across from the Safeway just off Boston Street -- you can't miss it. There is usually a staff member there at the marina who can assist you. If you want to come to our offices and classrooms (on the first day, for example, to make a final payment), walk to the end of the **Bo Brooks** parking lot and walk west along the water front on the red brick path to the gate that leads out to the pier. Push the buzzer or use your cell phone to contact us and we will open the gate. Getaway is located at the end of the pier.

Parking

We recommend parking on Boston Street. It's free and there is almost always a spot. Of course you are welcome to park in the **Block Buster/Bo Brooks** lot but the parking rates are quite high -- sorry we can no longer validate your ticket.

Attention! We urge you not to park anywhere on the **West Marine** side of the marina, even for a few minutes. You will most certainly be towed and having had that experience I can tell you that it is very expensive, time consuming and unpleasant!
